

**Kimberly C. Hutcherson, MD**

Dr. Kimberly C. Hutcherson is a radiologist with North Metropolitan Radiology Associates, LLP located in Lawrenceville, Georgia. She is the Medical Director of Breast Imaging and Intervention at Northside Hospital Gwinnett & Duluth and Northside Gwinnett Breast Center, also located in Lawrenceville, GA.

Philips Ultrasound Clinical Service Specialists will assist in the course delivery.

## Courses

### **Breast Ultrasound Lesion Characteristics (GISP035VILT)**

This 2-hour Virtual Speaker-Led Training course is designed to provide customers knowledge of the standardized terms used to characterize breast lesions on ultrasound using ACR BI-RADS Lexicon. Program topics include the definition of each ultrasound descriptor along with the sonographic representation of each.
