Cancellation, Rescheduling, and Travel Policy

Please take a moment to review the following Philips cancellation, rescheduling, and travel policy to help ensure you receive the most from your education experience

As a Healthcare company, we are highly regulated and must adhere to NEMA code guidelines, Sunshine Act, Medicare Fraud and Abuse guidelines and subscribe to the AdvaMed Code of Ethics on interactions with healthcare professionals. Our internal policies have been structured around these regulations and guidelines and prohibit us from making payments directly to customers.

Philips Healthcare reserves the right to cancel virtual classes and/or programs due to insufficient enrollment or when maximum seat count is met. Philips also reserves the right to make any schedule changes as necessary, including a change in time, days, or instructor. In the event of cancellation, we will notify each registrant by email and will offer to reschedule the registrant. Philips Healthcare is not responsible for any other related expenses.

The travel policy is applicable to customers that have travel tuition entitlements included with their Ultrasound system purchase. The travel package that comes with your travel tuition entitlement includes airfare, hotel, meals, transportation to and from the airport in the city of the training event and transportation to and from class. Philips handles payments directly with these 3rd party vendors. Travel packages with standard education entitlements are applicable to Philips Training Centers.
